

3rd Annual Volunteer Appreciation Celebration Sponsorship Benefits

Super Stars Literacy

*We give every child the foundation for
lifelong learning and achievement*

Your sponsorship will help us celebrate and promote the continuation of the essential contributions that volunteers make to our program.

Each year, Super Stars Literacy is supported by 200 volunteers who collectively provide over 2000 hours of service working directly with students in our program classrooms, staffing family engagement events, serving as guest readers, or supporting our organization through committee work. Not only do volunteers bring additional resources to our program, they play an important role in demonstrating to our students the opportunities that education can provide. This event brings together SSL staff, Board members, community partners, and other supporters to network while enjoying refreshments, listen to presentations by staff and community leaders, and honor individual volunteer contributions. Your sponsorship contribution will be used to offset event costs and fund the ongoing volunteer program.

A Contribution of \$750.00 Receives the Following Sponsorship Benefits

Pre Event:

Logo placement on the event page on the Super Stars Literacy website, three Facebook and Twitter promotions prior to the event.

During Event:

- Invitation to attend event and make a “thank you” speech to volunteers (if desired)
- Logo visibility on all event collateral and signage
- Name recognition and sponsorship certificate presented during ceremony.

Post Event:

Inclusion in post-event press release

Name recognition in Super Stars Literacy Annual Report
